## The Salutation of the Most Splendid Treasure

By the cardinal pole & succour of the ardent lovers, our master & guide, Muḥyi d-Dīn 'Abd al-Qādir al-Jīlānī

In the name of Allah, the Universally Merciful, the Singularly Compassionate

O Allah, bestow Your most benevolent blessings eternally, and Your most bountiful favors everlastingly, and Your choicest salutations graciously and abundantly, upon the noblest of humanity, the union of all Realities of Faith, the Mount Sinai of the unveiling of Spiritual Perfection, the cradle of the Mysteries of Divine Mercy, the manifestation of the Lights of Spirituality, the bridegroom of Sublime Sovereignty, center jewel of the Necklace of Prophecy, captain of the Army of the Messengers, leader of the caravan of Ennobled Prophets, most Excellent of All Creation, master of all who preceded him and come after him, bearer of the Banner of Highest Glory, holder of the Reigns of Resplendent Dignity, witness to Eternal Mysteries, beholder of Pre-eternal Lights, interpreter of the Language of Sempiternity, fountain of knowledge, forbearance and mercy, revealer of the Secret of Overflowing Generosity both partial [in this world] and universal [in the Hereafter], pupil of the Eye of Existence - both heavenly and earthly, soul of the Bodies of Both Realms of being (recite 3 x, drawing hands over face each time), eye (kiss tips of forefingers & caress eyelids with them) of the Life of Both Worlds, realizer of the Highest Degrees of servitude, holder of the Virtues of the Chosen Stations, the Supreme Intimate Friend and most Noble Beloved, our Master and the Master of all of Adam's descendents, Muḥammad, son of 'Abdullah, the son of 'Abd al-Muṭṭalib. And [O Allah, bless] his noble and pure family, his companions, wives and progeny, the other Prophets and Messengers, the angels near Your Throne, those who worship you in obedience, and the righteous servants of Allah - those among the people of the heavens and the people of the earths - as much as all of Your creations, to the extent of Your Pleasure, in the decoration of Your Throne, in the ink of Your Words, and commensurate with Your Knowledge! Bless them whenever the rememberers remember You, and whenever the heedless neglect Your remembrance. And bestow Your blessings, peace and grace upon him, his family, and companions just as You bestowed Your blessings, peace and grace upon our master Ibrāhīm and his family in both worlds. Verily, You are the Most Praised and Glorious.
